- Addition of CBD (Cannabis Sativa L. cannabidiol (CBD isolate) assists with the relief of anxiety and stress.

Massage Oil

Cee More – Be More – Do More
with Cee Be Do Massage Oil

CEEBEDO PREMIUM CBD MASSAGE OIL

- A naturally based healing massage oil sourced from the cannabis plant.
- Does wonders for a supple, healthy body.
- High-quality CBD massage oil enables you to actively tackle the day, meet all your commitments and still make it to the gym for your favourite class.

Formulated with:

- CBD (Cannabidiol)
- Medium-chain triglyceride (MCT) oil,
- Vitamin E oil,
- Evening Primrose oil,
- Sesame, Chamomile, Lavender, and Rosemary essential oils.

The oils work synergistically to massage the skin and muscles and allows the CBD to be quickly absorbed for a fast effect.

The essential oils also nourish, relax, and support the elasticity of the skin.

CEE BE DO PREMIUM CBD OIL DROPS
